**Strengths**

- Remarkable asset and sales growth over the reviewed period outperforming sector average
- Progressing operating performance along with improved EBITDA
- Asset and operational risk aversion through insurance coverage
- Competitive fleet, enabling the Group to provide comprehensive transportation services and offer multimodal transportation
- Buffer for FX risk provided by geographically diversified operations
- Synergy created through cooperation and partnership with Yıldız Holding, a leading conglomerate in Turkey
- Strong relationship with customers and subcontractors
- Increasing potential of the logistic sector in Turkey creates further room for third party logistic providers

**Constraints**

- Considerable leverage level along with a large share of short term loans in total liabilities
- Pressure on liquidity management due to negative net working capital over the reviewed period
- Fierce competition and lower margins in road transportation
- A possible decrease in the volume of trade between Turkey and the Euro area due to prolonged economic recovery in the EU
- Concentration risk from one major customer despite its decreasing share in total sales
- Room for improvement in compliance with Corporate Governance Best Practices

**Overview**

Netlog Lojistik Hizmetleri A.Ş., (hereinafter 'Netlog Logistics Group' or 'the Group') was founded in 1981 under the name of Ülker Beynelmillel Nakliyat ve Ticaret A.Ş. and changed its title to Golden Lojistik ve Akaryakıt Ticaret A.Ş. in 2002. Following the partnership with Çak Family in 2005, the title of the Company was changed to "Netlog Lojistik Hizmetleri A.Ş.", later joining with its subsidiaries to become the parent company of Netlog Logistics Group.

The Group is the logistics service provider of numerous well-known local and global brands in the food, cold chain, fashion and lifestyle, pharmaceutical, retail and other sectors. Netlog extended its operations to Europe through creating a joint venture, Greenbridge Multimodal BV, with the prominent Dutch transport group Samskip Multimodal BV to provide multimodal transport solutions for trade between Turkey and Europe. The Group also completed the acquisition of Amsterdam based TNT Fashion Group BV with Belspeed, a fashion and lifestyle logistic company of Belgium in 2014.

Yıldız Holding, with roots dating back to the foundation of Ülker Bisküvi in 1944, operates on a national and international scale and consists of 110 subsidiaries and 7 affiliates and holds 10% of the Group shares while main shareholder Çak Family owns the majority, 90% as of FYE2014. The Group is headquartered in Büyükkçekmece/İstanbul and employed over 3,000 personnel as of 2014.
