**Subsidiaries Ratings on Negative Watch** due to restraints on analytical review  
through inability to have adequate and appropriate data.

**JCR Eurasia Rating** has placed “**Dünya Göz Hastanesi Sanayi ve Ticaret Anonim Şirketi and Its Subsidiaries**” following ratings on **Negative Watch**.

The corporate credit rating report issued and the rating notes assigned for “**Göz Hastanesi Sanayi ve Ticaret Anonim Şirketi and Its Subsidiaries**” on December 28, 2015 have been placed on **Negative Watch** until changes in the level of risks corresponding to the notes above, stemming from the inability to have adequate and appropriate data from the Company timely, which restrains the periodic review and monitoring process of the company’s cash flow.

Following the audited financial statements for 2015 and updated company data to be obtained, investors and public will be informed in a short time.

For more information regarding the rating results, you may visit our web site <http://www.jcrer.com.tr> or contact our chief analyst **Mr. Orkun İNAN**.
