governance best practices and continuity of		
well-established risk management practices.		

Considering the mentioned drivers, the Bank's the Long-Term National Rating has been affirmed as "AA (Trk)". Taking into account the capability to independently survive irrespective of the support from the current shareholders and at the system level, adequate capitalization structure, internal resource generation capacity, ability to access international funding markets and roll-over debt, the presence of prudent provisions in addition to the high level of specific loan loss provisions and the asset quality accompanied by selective and efficiency focused credit policies as well as the possible negative effects of the Covid-19 outbreak on the Turkish banking sector.; the Bank has been affirmed with 'Stable' outlooks in the long- and short-term perspectives.

Non-performing loans due to downward efficiency in economic activities caused by the Covid-19 Pandemic and the erosion in the debt payment capacity raising provisioning requirement, resulting a higher credit risk cost, and the impact of the decisions taken by the regulatory authorities on the sector will be the issues to be monitored in the future.

The Sponsor Support Note of **Nurol Yatırım Bankası A.Ş.** 's has been determined considering the financial strength and support willingness of the sole shareholder Nurol Holding that shall provide assistance to the Bank to meet any immediate financial needs if required. In this regard, the Company's Sponsor Support Note has been affirmed as "1", which denotes high level of external support.

Considering high asset quality, diversified resource structure, balance sheet composition along with strong internal equity generation capacity, corporate governance implementations of the Bank's, the Stand Alone Note of the Bank has been affirmed as "**AB**", corresponding to high level in JCR Eurasia Rating's notation system.
