LDR TURİZM A.Ş.

JCR Eurasia Rating has evaluated “**LDR Turizm A.Ş.**” in the investment grade category with high credit quality, and affirmed the Long-Term National Issuer Credit Rating at ‘**A+ (tr)**’ and the Short-Term National Issuer Credit Rating at ‘**J1+ (tr)**’ with ‘**Stable**’ outlooks. The Long-Term International Foreign and Local Currency Issuer Credit Ratings and outlooks were also determined as ‘**BB/Stable**’ in line with sovereign ratings and outlooks of the Republic of Türkiye.

LDR Turizm A.Ş. (hereinafter referred to as “**Lider Filo**” or “**the Company**”) operating under the brand “Lider Filo”, was founded on August 11, 2010 in Istanbul, Türkiye. The Company provides operational fleet leasing and used vehicle sales to corporate clients, managing a fleet of 2,194 vehicles as of 1H2026.

Lider Filo went public on Borsa İstanbul (BIST) in March 2022 under the ticker LIDER, with 30.91% of shares publicly traded and 69.09% held by founder Metin Barokas. As of 1H2026, the Company employs 43 staff (FYE2025: 43) and offers end-to-end fleet services, including maintenance, insurance, and 24/7 roadside support.

Key rating drivers, as strengths and constraints, are provided below.

Strengths

- Cash surplus position in the reviewed period leading a solid leverage profile,
- Fair equity level mainly supported by accumulated profits in the reviewed period,
- Long-term lease agreements providing revenue stability to a certain extent,
- Low collection risk supported by diversified customer portfolio,
- Compliance with corporate governance principles.

Constraints

- Despite recovery in 1H2026, slight deterioration in core profitability metrics as of FY2025,
- Decreasing trend in coverage indicators in the reviewed period,
- Volatility in second-hand car prices along with highly correlated macroeconomic dynamics and sector regulations,
- As actions for a global soft-landing gain prominence, geopolitical risks and decisions with the potential to adversely affect global trade are engendering considerable uncertainty.

Considering the aforementioned points, the Company’s Long-Term National Issuer Credit Rating has been affirmed at ‘**A+ (tr)**’. The Company’s healthy leverage profile and strong equity level and high receivable collection capacity as well as declining profit margins, insufficient level of coverage metrics, the existing risks in the markets and the business environment have been evaluated as important indicators for the stability of the ratings and the outlooks Long and Short-Term National Issuer Credit Ratings are determined as ‘**Stable**’. The Company’s attainability of the indebtedness indicators, cash flow metrics, profitability margins and sustainability of demand in the market will be closely monitored by JCR Eurasia Rating in the upcoming periods. The macroeconomic indicators in national and international markets, as well as market conditions and legal framework about the sector will be monitored as well.
